## A Little Business

**Flag Disposal:** It has long been an important ritual to dispose of a worn and tattered U.S. flag properly. We should never throw it in the trash like any other old item.

We have a box in the office for you to drop off your American flag and know that it will be disposed of respectfully.

**Trash Service:** Just a few reminders... Curbside trash service in our resort has been discontinued. If you are elderly or disabled, please let us know and we will provide daily trash service (Monday – Friday) for your site.

Do not leave bagged trash on the ground in front of the dumpster. The trash truck driver will not pick it up. If the dumpster happens to be full, place your bagged trash to the side of the unit. Once the dumpster is emptied, maintenance will pick the trash up and place it in the dumpster.

Always break down (small or large) cardboard boxes before bagging or placing them in the dumpster.

Do not throw mattresses or furniture, or any other large household items, in or next to the dumpster.

**Septic System:** The resort is on a septic system. Please do not flush any baby wipes, adult wipes, Q-tips, latex gloves, disposable

diapers, or any hygiene products other than toilet or tissue paper down any toilet.

This is an expensive clean-up!

**Dogs:** Important reminder to not leave your dog outside unattended, whether on a lead or not. If your dog is outside without you, either you or your furry friend is in the wrong place!

**Patio Canopies and Gazebos:** Patio canopies and gazebos are allowed in our resort; however, they must be pre-approved by management.

Here are the specific guidelines:

- Must be tan/beige (no other colors allowed)
- Must be vented on top
- Must fit on the concrete patio (and not set up in the grass)
- Can include mosquito netting, but no 'curtains' or fabric walls
- Cannot use cable tie downs, but can use weights or planters on the concrete patio

Due to hurricane season, we require that any canopy or gazebo be set up in a manner that allows quick dismantling. Please watch our local weather forecasts and take your canopy/gazebo down when high winds are expected. Leisure Lane reserves the right to take your equipment down if/when you do not do so yourself.

Please send an email to [office@leisurelaneresort.com](mailto:office@leisurelaneresort.com) or come in to see us if you need images of the types of canopies or gazebos the resort does and does not allow.
